Directions to Baptist Bible Seminary	169

Dear Prospective Student:

I am grateful for your consideration of Baptist Bible Seminary to further your education and prepare for ministry. Our faculty have the ministry experience, academic qualifications, and are gifted in classroom communication. They are mentors in helping you prepare to make an impact for Christ in Great Commission ministry.

Our alumni from BBS have been leaders in local churches, church planting, biblical higher education, and leading ministries around the world. The placement rate of our graduates is one of the highest of any seminary due to the dynamic balance of academic rigor, ministry leadership development, and internship experience.

We believe those in career ministry need to be educated and well-prepared so they can lead others effectively. Our degree programs will give you the tools you need as you prepare to make disciples and strengthen the church's ministry around the world.

As you prayerfully consider your future, consider BBS. We look forward to helping you prepare with biblical scholarship for your mind, passion for Christ in your heart, and ministry leadership with your hands. At BBS you will major in making a difference.

Gratefully in Christ,
Jim Jeffery
President

Dear Prospective Seminarian:

The desire of Baptist Bible Seminary is to train Christ-followers to be church ministry leaders. But among Christians there is quite a bit of debate about what is necessary for quality education in the training of such leaders. Some would suggest that the depth of academic study in original languages and theology should constitute the major focus. Others suggest that such a focus turns out men filled with Bible knowledge but who are unable to lead churches to do successful ministry especially in evangelistic outreach.

To be sure there are some seminary-trained men who know the facts of the Bible and can parse the Greek and Hebrew words but who won't cross the street to talk to someone about Jesus, much less lead church members to do so. However, on the other side, there are some church leaders who are filled with all kinds of ideas about ministry efforts while possessing a shallowness and sloppiness in the preaching of the Word of God.

What is needed is both a depth in the quality of Bible content and practical ministry preparation to become a leader of people. Baptist Bible Seminary is about both. Jesus trained his disciples in the "how to's" of ministry. He took them with him, sent them out, and helped them evaluate what had happened (e.g., Matt. 10:1-20; Matt. 17:11). Some ministers in our day devalue the detailed study of the Bible in its original languages and its theological depth for the simple reason that it is hard. But Paul taught the young church leader Timothy not to shun the hard work of Bible study (2 Tim. 2:15; 4:2; 12).

At BBS we design our curriculum and training efforts with this balance in mind. Our students should love people more than books. But we want them to love books, especially those that are helpful in understanding The Book which points us to The One whom we worship. If such balance between academics and ministry focus sounds good to you, then Baptist Bible Seminary is the place for your ministry training.

Until He comes,
Mike Stallard, M.Div., S.T.M., Ph.D.
Seminary Dean

Everything you need for your ministry

SCHOLARSHIP *for your mind*

The Baptist Bible Seminary experience stresses scholarship for the student. The Master of Divinity degree is based on the study of the original languages of Greek and Hebrew. Baptist Bible Seminary strives for the highest quality in its academic programs. Minds sharpened by the scholarly study of the Word of God are foundational for significant, life-changing ministry.

PASSION *for your heart*

But scholarship alone is not enough—the Baptist Bible Seminary experience cultivates passion for ministry. People who make a difference are people who care. Passion is not so much a discipline that is taught as it is a life-motivating zeal that is caught. The BBS experience develops passion for ministry in the hearts of students. A heart consumed by godly passion is the fuel that drives significant, life-changing ministry.

MINISTRY *for your hands*

Knowledge and fervor must be combined with ability. The Baptist Bible Seminary experience prepares students for ministry leadership by teaching them how to serve and giving them opportunity to experience service. For example, in the Master of Divinity program, service is usually developed through the one-year internship in a local church under pastoral supervision, where students can apply classroom experience to real life situations. Hands that work to serve are the means of significant, life-changing ministry.

While every effort is made to ensure the accuracy of the information in this catalog, Baptist Bible Seminary reserves the right to make changes at any time without prior notice. The catalog is for purposes of information and does not constitute the irrevocable terms of the contract between the Seminary and current or prospective students. There are in effect established procedures for making changes; procedures which protect the Seminary's integrity and the individual student's interest and welfare. Usually, a curriculum or graduation requirement, when altered, is not made retroactive unless the alteration is to the student's advantage and can be accommodated within the span of years normally required for graduation.

GENERAL INFORMATION

HISTORY OF BBS

The Seminary is a post-baccalaureate division of Baptist Bible College of Pennsylvania. The College was founded in 1932 and existed under the name Baptist Bible Seminary until 1971, when the name was changed to convey more accurately the true nature of the school. In 1968, the College relocated from Johnson City, New York, where it operated for 36 years, to its present campus in Clarks Summit, Pennsylvania.

For some years, the Trustees of Baptist Bible College were preparing for the inauguration of a post-baccalaureate program which could become a recognized theological seminary. There had been no fundamental Baptist seminaries on the East Coast for many years, and the need for the establishment of such an institution was imperative. In the fall of 1972, the Seminary was launched with 23 students and three professors. Since then, the Seminary has grown to an enrollment of over 280 students.

CAMPUS LOCATION

Baptist Bible College & Seminary is located on a beautiful 121-acre campus. Few Christian institutions possess such a scenic campus. Clarks Summit is a suburb of Scranton, Pennsylvania, and combines the advantages of a small community with those of a metropolitan area of approximately 600,000 population. It is an area of great opportunity for evangelism and church planting.

The Scranton area is at the crossroads of the interstate system serving the northeastern section of the United States. The Wilkes-Barre/Scranton Airport is twenty minutes from the campus and is served by major airlines as well as commuter carriers. Large cities, such as Boston, New York City, Philadelphia, and Washington, D.C., are within a brief flight or a two to five-hour drive.

A number of institutions of higher learning are located in the greater Scranton area, including the University of Scranton, Marywood University, Keystone College, Penn State University (Worthington-Scranton Campus), Wilkes University, and King's College.

FACILITIES

The Seminary enjoys the use of an extremely functional and pleasant classroom building. Responding to the continued growth of the Seminary, the 12,000 square foot Stowell Seminary Building was constructed and dedicated in 1991. In 1995, a 6,000 square foot expansion was added. In addition to classrooms, the seminary building contains administrative and faculty offices as well as the Emery H. Bancroft Memorial Chapel. This beautiful facility stands directly off Venard Road and enjoys a scenic view of the campus lake. The large building on the main College campus, Jackson Hall, houses the library, administrative offices, College classrooms, and College faculty offices. The Student Center houses food service, athletic facilities, and auditorium. There are also spacious dormitories and a maintenance complex.

The campus contains hundreds of beautiful trees and shrubs, a four-acre lake, soccer fields, a softball field, and multiple athletic facilities in the Recreation Center.

MISSION AND VALUES

Baptist Bible Seminary's mission and values are consistent with the overall vision of the entire institution: pursuing excellence in biblical higher education for effectiveness in global Christian leadership.

MISSION

Baptist Bible Seminary exists for the purpose of training men for servant-leadership roles in Christ's church. To accomplish this, students are equipped to acquire the knowledge, to grow in Christlikeness, and to develop the skills that will enable them to: qualify for ordination; deepen their understanding and skills for pastoral ministry; prepare them to teach those who are seeking ordination or church leadership roles; or to prepare them to engage in pastoral apologetics.

The Confession of Faith and Values of the Seminary provide a doctrinal and practical framework within which the Mission of the Seminary is carried out, since they reflect the religious positions and spiritual commitments the school seeks to foster.

VALUES

Methodological Understanding—We believe that handling the Word of God appropriately for ministry requires proper use of a grammatical-historical hermeneutic. Further, we believe that the formation of doctrines must be grounded in sound theological method as Scripture is compared with Scripture. Theology must be properly organized, used to evaluate other academic disciplines, and appropriately applied to life itself.

Biblical Foundation—We believe that church leaders should specialize in the preaching and teaching of God's Word—the Bible. Emphasis is therefore placed upon a thorough knowledge of this Book both in the English text and in the original languages of Scripture—Hebrew, Aramaic, and Greek.

Theological Worldview—We believe that church leaders must be clear proponents of the great doctrines of Scripture, since the teachings of Scripture form the basis of a Christian worldview. Theology is taught from a dispensational point of view, with the conviction that the Bible in its autographs is inerrant and constitutes the infallible standard for faith and practice.

Christ-centered Living—We believe that Jesus Christ is the central figure of the Christian faith. Obedience to His commands and worship of Him should permeate all ministry training and life.

Baptist Heritage—We believe that the distinctive principles which have historically characterized Baptists are rooted in God's Word. Therefore, we view them as more than a matter of opinion or preference. The Seminary respects the right of others to believe as they will but affirms the need for doctrinal purity in ministry pursuits. Hence, the Seminary teaches that cooperative ministry efforts should exist with those of like faith and order.

Evangelistic Ministry—We believe that God wants all believers, but especially church leaders, to be intentional in evangelistic outreach. Theological students should show compassion for unbelievers by preaching the gospel and seeking to win them to Christ.

Practical Emphasis— We believe that for church leaders to be successful, thorough knowledge of Scripture must be coupled with many practical skills which must be learned. Church leaders must be able to preach and teach the Bible with an interesting, compelling manner that communicates to the present culture. They must also understand basic principles of interpersonal relationships, be able to counsel individuals effectively, and be trained in the very demanding areas of administrative and pastoral responsibilities.

INSTITUTIONAL GOALS

In keeping with the institutional goals of the entire institution of Baptist Bible College & Seminary, the Seminary provides a biblically based learning environment that guides students to:

- Intellectual discipline characterized by integration of truth and wisdom,
- Spiritual maturity marked by Christlikeness,
- Professional and relational skills demonstrated by competent service to strengthen the church and influence society.

ACADEMIC GOALS

The Seminary's academic goals are based upon the stated mission of Baptist Bible Seminary. As such, upon the successful completion of any of our masters or doctoral degree programs, the graduate will be able to:

- Articulate a thorough knowledge and understanding of the Bible;
- Practice leadership skills necessary to direct various ministries around the world;
- Employ appropriate and sharpened skills in preaching, teaching, church administration, worship, and counseling;
- Think independently and constructively in respect to vital areas of ministry;
- Demonstrate growth intellectually, spiritually, personally, and professionally in relation to his understanding of the Christian message and ministry;
- Demonstrate personal discipline and suitable use of methods in his continuing study of the Scriptures for future ministry.

CONFESSION OF FAITH

We believe in the verbal and plenary inspiration of the text of the original manuscripts of the 66 books of the Old and New Testaments, which alone constitute the inerrant Word of God.

We believe the Bible supports using a grammatical, historical method of interpretation in light of the progress of revelation. Thus, we believe that the Bible is the clear, sufficient, and supreme authority for all belief, life, and ministry.

We believe in the trinity of the Godhead: one immutable and omnipotent God, omniscient in all things past, present, and future, who eternally exists in three equal Persons: Father, Son, and Holy Spirit.

We believe in the deity, virgin birth, perfect humanity, sinless life, substitutionary death, bodily resurrection, and ascension of the Lord Jesus Christ. He is the only means of salvation from sin and the sole mediator between God and man.

We believe in the personality and deity of the Holy Spirit, through whose ministry believers today are regenerated, baptized into Christ and His body, indwelt, sealed, gifted, and empowered for service.

We believe that gifts of the Holy Spirit are given to build up the body of Christ. We believe that the sign gifts of the Spirit were given only for the apostolic era, providing revelation and authenticating the ministry of the apostles.

We believe that God created the universe (including mankind) in six literal, consecutive 24-hour days apart from the process of evolution. We believe that man was created in the image of God and retains that image after the fall. Therefore, we affirm the dignity of human life and affirm that all people are worth pursuing for the cause of Christ.

We believe that all human beings are totally depraved and guilty before God as a result of the fall of Adam. We commit acts of sin because we are sinners by nature.

We believe that the Triune God saves sinners by grace alone through faith in Christ alone. God secures their eternal salvation, having sovereignly elected them to be willing recipients of His grace in Christ, whose blood was shed for the remission of sins. We believe that salvation is demonstrated through good works that are part of a holy life. We believe that every Christian has the joyous responsibility of evangelizing sinners in obedience to Christ's Great Commission.

We believe that the universal Church is the body of Christ, comprised of all true believers from Pentecost until the Rapture. Jesus Christ is the sole head of the Church.

We believe that the local church is an assembly of immersed believers, led by pastors and served by deacons, independent and congregationally governed, in fellowship with other churches of like faith and order.

We believe that the local church is responsible to fulfill the Great Commission. It must observe the ordinances of believers' baptism and the Lord's Supper; foster true fellowship, prayer, and worship; edify and equip believers; and evangelize the world.

We believe that the only biblical mode of baptism is immersion; that baptism is for believers only; that it is a testimony of their identity by faith with Christ's death, burial, and resurrection; and that it is a prerequisite for local church membership.

We believe that the ordinance of the Lord's Supper is solely a memorial of Christ's death, and that the body and blood of Christ are not present in the bread and cup.

We believe in the priesthood of all believers and that we have direct access to God apart from any mediator except Christ. We respect the God-given capacity of individual soul liberty through which each person will give account for living by the dictates of his own conscience. We believe in the separation of church and state, and that believers must fulfill biblical responsibilities to each.

We believe that the Bible directs us to a life of holiness, requiring separation from worldliness and ecclesiastical apostasy unto God.

We believe in the personal existence of angels as created spirit beings. God's holy angels are ministering spirits. Satan and other fallen angels can influence believers, but believers cannot be demon possessed.

We believe in the pre-tribulational rapture and bodily resurrection of the Church at Christ's imminent coming. Believers will give account for their works at the Judgment Seat of Christ, which will follow the Rapture. We believe in the distinction between the nation of Israel and the Church, the Spirit-baptized Body of Christ. The Church is not the collection of all believers of all times.

We believe that God will fulfill the biblical covenants made with the nation of Israel. Though they are now dispersed among the nations, they will be re-gathered in the land of Israel and saved as a nation at the premillennial coming of Christ to the earth. At that time, Christ will begin his Davidic rule over the world for 1,000 years and continue to reign in the eternal state.

We believe in the bodily resurrection and judgment of unbelievers after the millennial reign of Christ. We believe in the eternal existence and punishment of all unbelievers in the lake of fire and the eternal existence and blessedness of all believers in the new heavens and earth.

The confession of faith is reaffirmed annually by each member of the faculty, staff, administration, and Board of Trustees. Students likewise are asked to indicate their agreement before graduation, and those who cannot do so will submit a statement of their own on the area(s) of disagreement.

The Seminary does not believe that the modern charismatic movement is biblical. Any person connected with the institution who is found claiming to exercise the gift of tongues, encouraging others to seek it, or promoting it will be asked to remove himself from association with the Seminary.

MEMBERSHIPS

American Schools of Oriental Research. This provides the school and its students with a direct channel for historical, geographical, cultural, and archaeological studies in several Middle Eastern countries. Contact the Seminary Registrar for details.

The Association of Independent Colleges and Universities of Pennsylvania (AICUP). The only statewide organization that serves exclusively the interests of private higher education within the Commonwealth, exists to complement and support the work of campus leaders. AICUP was established in October 1995 through the affiliation of three existing educational organizations.

AICUP's mission is to educate policymakers, media representatives, and civic and corporate leaders about the benefits, value and quality education available at Pennsylvania's independent colleges

and universities. This educational effort is intended to secure government and philanthropic support for students and institutions in the independent sector. AICUP further works to create partnerships among its member institutions to enhance their programs and reduce their costs.

All fifteen of the elective credits will be taken in the organizational leadership concentration. This laboratory setting allows students to learn the concepts and skills of leading organizational environments in an actual organizational environment mentored by people who are doing what the students are learning to do. All of the courses taught in the organizational leadership major are taught by Dr. Dennis Wilhite, adjunct professor, and the staff of Pilgrimage Educational Resources. WORSHIP MINISTRIES LEADERSHIP

As a worship ministries leader you will be charged to build up the body of Christ through corporate worship, to encourage individuals in personal worship, and to effectively utilize the talents of others to serve Christ in worship ministries. It is a critically important responsibility that plays a vital role in the success of the local church. How well you fill that role will depend on how well you are equipped to lead worship that is relevant, biblical, and God-focused. Baptist Bible Seminary will prepare you to effectively lead worship ministries wherever God leads you. We've purposefully designed the program for men who serve in positions such as:

Worship pastors, Youth pastors who assist with worship, Individual pastors who lead worship and preach, Senior pastors mentoring laymen, Church planters, Missionaries. The Worship Ministries Leadership concentration is available under both the Master of Ministry and Master of Divinity degrees. At BBS, our accredited program gives you a uniquely balanced, intentional experience that includes graduate level theological study, leadership development, and real-life application. You will experience a curriculum of biblical, theological, music, technical, drama, and theory courses. This will equip you to develop, administrate, and direct an effective worship ministry in the local church. Your competency for ministry can be strengthened through training in choral direction, music arrangement and programming, drama production, and leadership development, depending upon your particular needs and interests. Recommended courses include:

WM501	Music Resources for Group Worship	1 hour

THEOLOGICAL DISCIPLINE CONCENTRATIONS

While the Master of Divinity degree is by nature a general ministry preparation degree, at BBS it is also possible to achieve maximum exposure to cognitive Bible, theology, and original language courses. Students desiring to master a content field of study may do so with their elective hours. These concentrations include:

Hebrew Literature and Exegesis
Greek Literature and Exegesis
Old Testament Bible Exposition
New Testament Bible Exposition
Systematic Theology

Most students who anticipate a classroom teaching ministry in one of the theological disciplines also plan to enroll in further education after the M.Div. program. This option allows for maximum concentration of advanced study in a chosen discipline.

ADMISSION TO CANDIDACY

Acceptance into the Master of Divinity program does not assure candidacy for graduation and awarding of the degree. Candidacy status is designed to assure the faculty that the student has met certain requirements for the ordained ministry, and that he is expected to be successful in full-time vocational ministry. To attain candidacy, the student must:

1. Complete 48 hours of course work with a minimum grade point average of 2.0.
2. Demonstrate the personal, moral, and spiritual maturity necessary for a minister of the Gospel.
3. Satisfactorily complete Christian service requirements, thereby evidencing ability and acceptability in Christian ministry.
4. Agree with the doctrinal position of the Seminary. The time limit for the candidacy period is four years, measured from the date of candidacy. See the Student Handbook for procedural details.

INTERNSHIP RESIDENT TRAINING

Required of all pre-professional M.Div. graduates, this one-year, full-time internship experience is unique in the education of men for the ministry. It is the goal of BBS to prepare men to be able to blend quality Bible knowledge with practical methods so they might be able to plant, lead, and grow

churches. Excellence in ministry preparation is provided by giving the student intern an opportunity to serve with and to learn from those men who are experiencing the blessing of God upon their ministries.

Students are trained at selected local church resident internship centers. These churches must meet the strict criteria of the Seminary in order to assure that each student intern receives the highest level of practical ministry training available. The pastors at all centers are qualified and specifically trained to maximize intern learning.

Each student intern works with the pastoral staff to identify, formulate, and implement his own ministry goals and projects. A number of leadership and ministry opportunities, coupled with the ongoing evaluation and training by the pastoral staff, serves to enable the student intern to develop his God-given gifts and to confirm his direction for future ministry.

The student intern will not be employed while enrolled in the internship. Basic living needs will be provided through the Internship Field Training Site. Eighteen (18) hours of credit will be earned during the internship.

BBS ensures that all academic work done at each intern training center meets the standards for quality of instruction, academic rigor, and educational effectiveness comparable to those of other institutional offerings. This is accomplished by training a selected member (or members) of each intern training center regarding how to cooperate with the Seminary and its demands for academic excellence while at the same time discipling each student in the context of a full-time ministry environment. Each intern training center has an internship coordinator who is responsible for providing opportunities for the intern to fulfill his educational responsibilities. In addition, Baptist Bible Seminary faculty members are responsible for grading the various course requirements related to the intern's one-year Internship resident training.

M.DIV. IN-SERVICE DEGREE

BASED ON BIBLE COLLEGE DEGREE WITH ADVANCED STANDING FOR GREEK

94 credit hours
76 credit hours of campus residence courses plus
18 credit hours of a one-year internship at your own ministry site

In an effort to provide high-quality, challenging graduate study for those already in ministry vocations, Baptist Bible Seminary offers an attainable M.Div. degree. While the content of the 94 hours is basically the same as the standard resident program, the configuration is quite flexible. The in-service Master of Divinity program is open only to men who have already held professional local church or missionary ministry positions for at least two years. The student must be considered to be at least half-time in his ministry position and be receiving at least one half of his income from that ministry. Due to the time demands placed upon those already in ministry, the program allows the student to proceed at his own pace. The completion goal is within seven years. Applicable courses from other acceptable seminary programs are welcome for transfer credit.

MASTER OF DIVINITY DEGREE (M.DIV.) IN CHURCH PLANTING

A degree program with significant scholarships is available for the student who qualifies to be appointed as a leader of a church plant (usually after the first year of study), this degree program allows the student to focus his time and energy into the ministry during the last three years of the program. Students actually participate in a new church plant—from casting a vision to casting nets, it's hands-on experience.

BBS faculty and staff support and mentor these students in church planting situations. A growing network of sending and supporting churches stands ready to assist with prayer, finances, and manpower.

The program involves:

- A core curriculum of M.Div. studies in Greek, Hebrew, Theology, Bible, and Church Leadership.
- Additional studies specific to church planting such as planting methods, philosophy, strategy, outreach, evangelism, discipling, cross-cultural ministry, and more.
- Hands-on work in a new church plant. Work in the starting up and outreach into a targeted population, casting a vision, writing a church constitution, developing church programs, and the many vital pieces necessary to plant a successful church in a particular culture.
- Participating with a team of Seminary church planters. The M.Div. church planting emphasis provides an ideal way to learn team work and prepare for planting churches in the USA or in global missions. The courses available in this program are listed previously in this catalog under the Master of Divinity degree ministry program concentrations.

Fifteen experienced instructors teach nineteen courses that help the student develop philosophy, strategy, and methods for successful church planting. Several adjunct faculty are a part of the teaching team in order to bring current thinking and methodology to the church planting ministry. These specialty courses are merged with a dynamically balanced M.Div. core curriculum of Greek, Hebrew, theology, Bible, and church leadership.

All courses are offered in concentrated modules or a once-a-week format for the convenience of the Master of Divinity students. The M.Div. in Church Planting student may select from these courses or enroll in all of them in order to strengthen his knowledge and skill base for actual church planting. During three years of Master of Divinity study, the student will be granted generous scholarships in order to be able to give a majority of his time to a church planting ministry.

BAPTIST BIBLE SEMINARY

MASTER OF THEOLOGY DEGREE (TH.M.)

32 Credit Hours

GENERAL OBJECTIVE

The Master of Theology degree program is designed to allow qualified students to develop a greater proficiency in a selected area of Bible knowledge. It is especially recommended to students who desire additional content competence in biblical studies.

The curriculum, therefore, seeks (1) to further the student's preparation for the ministry in pastoring, teaching, or missions; and (2) to develop the student's ability to do independent research, to analyze and synthesize data, and to draw conclusions in the theological disciplines.

The Master of Theology curriculum is built upon the course content and learning experiences of the Master of Divinity degree (M.Div.) and is an integral part of Ph.D. studies. A student may enroll on campus, live in the area, and complete the degree in a shorter time or may study in an in-service format.

PROGRAM OBJECTIVES

Upon successful completion of this degree program, the student will be able to demonstrate:

1. A high level of skill in studying and researching the Scriptures.
2. A high level of using the biblical languages of Greek and Hebrew as well as theological research tools in the pursuit of biblical knowledge.
3. The ability to teach and communicate biblical knowledge with clarity in the church pulpit, college or seminary classroom, and through scholarly writing.
4. A genuine heart for God and the students or church people that the graduate would teach.

ADMISSION PROCEDURE

The Master of Theology curriculum is an integrated part of the Doctor of Philosophy curriculum. Students desiring to enroll in the Th.M. degree program should do so by applying for Ph.D. studies. Th.M. studies parallel the foundational course work of the Ph.D. degree. A copy of the Ph.D. handbook and application forms may be requested from the Admission Office, or accessed via the Seminary website.

DEGREE PREREQUISITE

Students pursuing a Th.M. degree must possess an M.Div. degree from an accredited institution. This would include Old Testament Hebrew and New Testament Greek language studies.

ACADEMIC PREREQUISITE

The student must possess a grade point average in his master's level studies of at least 3.0 on a 4.0 scale. The student must demonstrate excellent study skills and academic readiness for the program.

DOCTOR OF PHILOSOPHY DEGREE

MIND HEART HANDS

scholarship for your mind
passion for your heart
ministry for your hands

BAPTIST BIBLE SEMINARY

DOCTOR OF PHILOSOPHY DEGREE (PH.D.)

60 or 38 Credit Hours

PURPOSE OF DEGREE

The Ph.D. degree in Biblical Studies is designed to meet the learning needs of those who are called of God to a teaching ministry in the disciplines of Bible and Theology. The Ph.D. is commonly associated with significant ability to engage in research and writing while utilizing the biblical languages of Scripture. The Ph.D. degree is considered to be the terminal degree for pastors desiring a strong teaching ministry in their church, or for those who teach at the college, graduate school, or seminary level.

UNIQUE PROGRAM FEATURES

The Ph.D. in Biblical Studies is uniquely designed for ministry professionals who are unable to relinquish or suspend their full-time ministries or change locations in order to pursue a doctorate. The BBS Ph.D. may be earned in-service. This is accomplished through a twelve-week external residency and a one-week internal residency for each course.

While the BBS Ph.D. degree program is designed to provide in-service learning, it may also be earned in much less time by living in the area and carrying a larger load of courses. This allows men to also pursue the Ph.D. right after a seminary master's degree.

A student may enroll in the Ph.D. in Biblical Studies after completing either an M.Div. degree or a Th.M. degree. Those possessing a Th.M. degree (or its 120 cr. hr. equivalent) will enroll in 38 additional credit hours to earn the Ph.D. Those with an M.Div. degree will take 60 credit hours for the Ph.D.

The Ph.D. is web enhanced. With current technology, it is possible to engage in scholarly research, peer group interaction, independent study, mentoring by an instructor, and writing via the Internet. The BBS program takes advantage of leading-edge technology and teaching techniques to assure in-depth learning.

PROGRAM OBJECTIVES

Upon successful completion of the Doctor of Philosophy degree program, the student will be able to demonstrate:

- A high level of skill in studying and researching the Scriptures.
- A high level of using the biblical languages of Greek and Hebrew as well as theological research tools in the pursuit of biblical knowledge.
- The ability to teach and communicate biblical knowledge with clarity in the church pulpit, college or seminary classroom, and through scholarly writing.
- A genuine heart for God and the students or church people that the graduate would teach.

KEY TRAINING COMPONENTS

- A focus on the original Greek and Hebrew languages. This is designed to facilitate research in the biblical text. BBS prioritizes the biblical languages as foundational for the Ph.D. Degree in Biblical Studies.
- Faculty mentoring and peer group interaction via the Internet. The Internet component allows students to access extensive information resources as well as experience continual mentoring contact throughout the 14-week course period. A high degree of faculty mentoring is available through Internet interaction.
- A strong, required component of communicating and presenting before peers, faculty, and in educational teaching environments. The “Interdisciplinary Seminar” and “Communications Practicum” are two educational venues to provide this opportunity.
- Interdisciplinary exposure in a multi-ministry context. This includes three Ministry Philosophy Core courses taken jointly with Doctor of Ministry students. This allows the Ph.D. student to interact with some of the dynamic church leadership, outreach, and growth methods and concepts currently being used of God around the world.
- A focus that will continually explore and utilize training techniques, instructors, and materials that plant, cultivate, and produce a local church ministry heart in combination with academic excellence.

DELIVERY SYSTEM

The BBS Ph.D. program utilizes a creative external and internal residency that blends face-to-face, one-week, on-campus modules with pre- and post-module Internet interaction in the student's home or ministry setting. This format allows gifted men to sharpen and develop their teaching, research, and communication skills while continuing in their places of ministry.

THE THREE-CREDIT HOUR COURSE FORMAT FOR PH.D. COURSE MODULES:

External Residence Segment	Internal Residence	External Residence Segment
6 weeks x 15 hrs per week	One week on campus	6 weeks x 15 hrs per week
90 hours	40 hours	90 hours

ADMISSION REQUIREMENTS

The general requirements for entrance as a student into Baptist Bible Seminary apply to all master's and doctoral students. These are set forth in several other sections of this catalog and the Ph.D. Handbook. Please request a copy of the Ph.D. Handbook if needed.

PROGRAM PREREQUISITES

- An M.Div. degree—Other master's degrees may be utilized and supplemented with additional course work.

The Ph.D. degree will be significantly shorter (38 cr. hr.) for those possessing a Th.M. degree.

- The ability to utilize Greek and Hebrew language in Bible study and research. Greek and Hebrew language review options will be available to assist those needing them.
- The skill and computer hardware/software necessary to engage in course study via the Internet (consult the director of the Ph.D. program for specifics).
- A high degree of Christian commitment and life witness that qualifies the student for pastoral ministry.
- Agreement and compatibility with the Seminary's doctrinal statement (see catalog for doctrinal statement).
- All of the other salvation, character, and church participation requirements spelled out in the catalog of the institution apply in the Ph.D. program.

APPLICATION PROCEDURES

- The student must make application to the Seminary. The Director of Admissions, Director of the Ph.D. program, Seminary Dean, two faculty members, and the Chaplain will comprise the admissions committee.
- The student must possess an M.Div. or Th.M. degree (other master's degrees may be considered also).
- The student must have attained a 3.0 overall GPA in master's level study.
- The student shall have two peers and an academic professional who are in a position to evaluate his academic, teaching, and writing potential submit recommendation forms.
- An endorsement letter shall be required from the student's church or ministry organization and from his spouse.
- The student must request transcripts be sent of all previous undergraduate and graduate level studies.
- The student will complete and submit a self-evaluation document of approximately two pages in length including a statement of purpose and readiness in pursuing doctoral study.

This will help the student identify strengths and areas for possible review study. In the area that the student is choosing for a concentration, his proficiency must be higher. To accommodate students residing away from Clarks Summit or the USA, the student will be able to perform these assessments off campus.
- The student will have an oral interview before a faculty committee. This will be done prior to entrance into the program and can be accomplished via conference call or video-conferencing as necessary.

- If a student's primary language is not English, the student must demonstrate proficiency in spoken and written English via exams such as TOEFL, TSE, or TWE. Each applicant will be individually assessed.
- The student must indicate in writing his agreement with the articles of the Seminary's doctrinal statement.

REGISTRATION AND ENROLLMENT REQUIREMENTS

ADVANCE REGISTRATION AND ENROLLING

Twelve weeks prior to the first day of the external residency for each bank of courses, course descriptions and pre-registration information will be sent to each student in the Ph.D. program. The pre-registration form should be returned as promptly as possible to the Seminary Registrar's office.

Upon receipt of the pre-registration form and advance tuition fee, a course syllabus will be forwarded to the student. Prompt handling of all matters will enable the student to have a full eight weeks to secure books and prepare for the start of classes at home via the Internet.

All tuition, fees, and financial arrangements must be cared for prior to the first day of external residency classes so that a password may be issued. Payment may be made by check through the mail or Visa/Mastercard via the Internet.

Colloquy: For the first semester that any Ph.D. student is on campus to take a resident course, the student is required to attend the Ph.D. colloquy session on Monday, 9:00 a.m. to 12:00 p.m. This colloquy session will introduce the student to the Ph.D. program and BBS research expectations.

In order to most effectively engage in web-enhanced study while enrolled in the BBS Ph.D. program, each student will need to purchase the New Scholar's Library by Logos Library System prior to this first course. The Scholar's Library may be purchased at a significant discount via the internet at the following link: <http://www.logos.com/academic/bbc/required>.

GRADING SYSTEM

- | | |
|---|--|
| A | Exceptional quality work |
| B | Good quality work |
| C | Unacceptable for credit toward the degree but included in the cumulative GPA |
| D | Poor level of work not credited toward the degree but included in the cumulative GPA |
| F | Failure to complete the course |
| W | Withdrawal from a course prior to receiving grade |
| | |
| A | 4 grade points per hour |
| B | 3 grade points per hour |
| C | 2 grade points per hour |
| D | 1 grade point per hour |

Courses for which a C, D, or F is received may be made up at the discretion of the director. The Dissertation, Oral Defense, and Comprehensive Examinations will be given letter grades, while skills assessments and the Oral and Written Comprehensive Examinations will be graded pass/fail.

INCOMPLETE POLICY

An incomplete grade (I) will be placed on a student's transcript if the required course work is not completed by the assigned due date. A student may request a course extension of an additional two months. This must be done prior to the assigned due date. All course extension requests should be sent to the director of the Ph.D. program at BBS. If at the end of the two-month extension the required assignments are not submitted to the professor, the incomplete grade (I) will be replaced with an appropriate letter grade determined by the instructor's evaluation of the student's completed and uncompleted work. (No incomplete grade may be extended longer than six months following the completion of the in-class instruction.)

COMPREHENSIVE EXAMINATIONS

Each Ph.D. student will take several written comprehensive exams and one oral comprehensive exam. The written exams will be in the areas of Old Testament, New Testament, Theology, and Bible Exposition. These exams are customarily taken after the student's non-dissertation course work is complete, and before he begins his dissertation. In the area of the student's concentration or major, the student will have up to ten hours to take the exams in his chosen field. The student will have up to six hours to take all of the written comprehensive exams combined for all other areas. The student will take an oral comprehensive exam not to exceed four hours. All comprehensive exams will be scheduled and coordinated with the registrar's office and the director of the Ph.D. program.

PH.D. CANDIDACY

Candidacy for the Ph.D. Degree in Biblical Studies has two levels: Prospective Candidacy and Full Candidacy. A student may apply for Prospective Candidacy upon completion of 24 credit hours of study in the 60 credit hour program. For those already holding a Th.M. degree and engaged in the 37 credit hour program, application may be made after 15 credit hours. Full Candidacy may be applied for after the completion of all course work and comprehensive examinations. This is done just prior to beginning the dissertation sequence. Under some circumstances, a student may apply for Provisional Candidacy prior to completing all of his course work and comprehensive examinations. This case-by-case exception is considered for missionaries and international students who may have constraining time and schedule issues. All candidacy application will require a brief interview of the student by the Director of Ph.D. Studies and the Seminary Chaplain.

DISSERTATION

In keeping with the highly beneficial tradition of dissertation research and writing, the Ph.D. student at BBS has an opportunity to produce a significant and valuable document. To aid the student in timely completion, the dissertation research and writing process is divided into a sequence of three phases. Each phase is designed as a course. Faculty mentors are assigned to each course and will work closely with the doctoral student.

GRADUATION REQUIREMENTS

To be eligible for graduation a student must meet the following requirements:

1. A student must successfully complete the chosen course of instruction/concentration.
2. A student must have a cumulative grade point average of 3.0 (on a 4.0 scale) at the end of the sequence of courses. He must also receive a grade of pass on the comprehensive and oral exams and other elements so graded.

BAPTIST BIBLE SEMINARY

DISTANCE EDUCATION

NON-TRADITIONAL EDUCATION OPTIONS

Baptist Bible Seminary recognizes the changes in methods of delivery that have come to higher Christian education. Students desiring the kind and quality of biblical and theological training available through the different ways of scheduling courses will find that BBS can meet their educational needs.

Resident, on-campus course scheduling still meets the needs of the majority of seminarians, and studies on campus provide benefits and opportunities that should be recognized and desired. However, this is not the path of choice and opportunity for many. Consequently, BBS makes available a variety of non-traditional ways to receive training.

ONCE-A-WEEK AND MODULAR COURSES

For the benefit of pastors and others living within a short radius of the Seminary, master's courses (M.Div., M.Min.) are offered regularly in once-a-week format, with courses also taught on Monday and Tuesday nights. This facilitates taking courses only one or two days a week.

In addition, some courses are offered in modular format, scheduled during breaks from other semester-long courses. Modules are taught four days a week for one week (1 hour credit) or two weeks (2 hours credit). Summer modules meet each morning for five days each week.

ONLINE DISTANCE LEARNING

In an effort to provide quality training for those already in ministry or those considering Seminary enrollment, BBS provides a creative alternative. Pastors, missionaries, and ministry professionals who meet admission requirements can take Seminary courses via the Internet on their personal computers, right in their offices or homes. On-line courses are available where lectures, reading, and assignments are posted on the BBS Internet web site. Classes are conducted according to Baptist Bible Seminary semester schedules. A complete master's degree program may be earned via online courses. Class interaction is accomplished via these online courses. Technical assistance is available. All students must meet admission requirements prior to enrolling in an Internet course. All students will be required to show basic computer and Internet proficiency skills.

For more information, visit the Seminary web site at www.bbc.edu or contact the Seminary at 800.451.2287. The fax number is 570.585.4057.

BENEFITS OF DISTANCE LEARNING

Convenience. This program allows students to study in their own ministry locations at their convenience. No travel and no on-campus hours are required.

Credibility. As an accredited institution, BBS offers only academically sound courses that meet the highest standard for global learning.

Comprehensive. The comprehensive selection of courses allows the student to start, fill in the gaps, or finish a Master of Ministry, Master of Divinity, or Master of Theology degree.

Community. The inspiring interaction among instructors and peers provides a unique opportunity to gain a national and international perspective on various topics and issues. A sense of community is built, and friendships are developed.

EXPERIENTIAL PORTFOLIO CREDIT

PORTFOLIO ASSESSMENT

Baptist Bible Seminary offers portfolio assessment as an opportunity for students to apply for academic credit for learning they have acquired in seminary-level skills and knowledge through personal, ministry, and non-credit educational experiences.

The student will demonstrate the ability, through the process of self-assessment, to create a formal written presentation (portfolio) which validates competencies in specific learning areas. An instructor will act as a facilitator/mentor and resource person for each participant in the program. The student will be guided in the process of assembling a portfolio of written materials which will enable representatives from relevant academic departments to evaluate the specific skills or knowledge for which the student is seeking Seminary level credit. The process used to determine the credit value of this experiential learning is known as assessment. The portfolio submitted to Baptist Bible Seminary will serve as proof of the student's expertise and the value his experiential learning has in the academic world.

Preparing a portfolio in such a way that it will facilitate an accurate and positive assessment requires a serious commitment of time and effort on the part of the student. However, it also provides an opportunity for the student to review his previous experiences from the perspective of what he has gained or learned and how to integrate this personal growth to the best advantage in shaping the future. The skills required to assemble a portfolio are applicable to many areas of the student's personal or academic life. Since this process demands organization, introspection, self-evaluation, and goal setting, the personal rewards go far beyond the academic credit received.

PORTFOLIO STUDY

The portfolio study combines portfolio assessment and independent study and is designed for the student who has experience in an area of ministry but is not able to document the necessary learning. It is an option for the serious student who wishes to round out his knowledge in a course area or add depth to merely a general knowledge of a subject.

The suitable candidate for portfolio study does not possess the quality or quantity of knowledge in a subject to earn credit through portfolio assessment alone. The portfolio study program is an opportunity for students with a practical, hands-on knowledge of a subject seeking to learn its theoretical aspect, or those who possess knowledge of a subject but have no evidence to substantiate it.

PA800 PORTFOLIO ASSESSMENT

The rationale, method, and process of documentation of experiential learning with the final goal of producing a portfolio will be the central theme of this course. The student will begin with the process of self-assessment by summarizing his life experiences and evaluations of his educational goals. He will then proceed through the entire process of developing a portfolio which will be submitted for assessment by the assigned faculty member. The student will have the opportunity to integrate past experiential learning and present experiential learning credit expectations with the goal of developing future learning goals and methods to achieve them.

BAPTIST BIBLE SEMINARY

GENERAL INFORMATION

STANDARDS OF CONDUCT

PERSONAL HOLINESS

As a student in the Seminary, your testimony is watched and scrutinized by many people (classmates, college students, parents, pastors, employers, etc.). For the testimony of the Lord and the Seminary, we ask you to walk worthy of the vocation for which you are preparing. There are certain things expected of those in the Lord's work that may not be expected of the average Christian person (I Timothy 3:1-8 & Titus 1:6-9).

Baptist Bible College & Seminary believes that it has a responsibility to guide students in their spiritual, moral, and intellectual development so they will be servants for Christ. While we recognize that each believer is free to follow a biblically informed conscience in personal standards of conduct, we choose to limit our freedom in some areas in order to build up others in our campus community. We desire all those associated with BBC&S to be characterized by the pursuit of godliness and biblical discernment in every area of life.

Philippians 4:8 instructs believers to be committed to whatever is "true, honorable, right, pure, lovely, and of good report." Additional Scripture passages that speak to this issue are Psalm 1 and 101; Romans 12:1-2; 1 Corinthians 10:31; 2 Corinthians 10:4-5; and Ephesians 5:1-17. First Corinthians 8-10 direct us to evaluate whether our choices might harm a weaker brother or destroy our testimony to the unsaved. We want to foster a positive and godly community spirit on campus that assists students in preparation for effective ministry leadership. This includes a Christ-like spirit in speech, attitude, and conflict resolution.

Trustees, employees, and students choose to use media, technology, and literature in a way that is consistent with Christ-honoring discernment. We choose to avoid any activity that does not promote values consistent with biblical principles of righteousness and personal purity. For instance, we choose not to use alcoholic beverages, tobacco, or non-medicinal drugs. We refuse to be involved in occult practices. We will not be involved in gambling, worldly dancing, and immodest dress.

We affirm our commitment to these values annually in writing. Those who do not abide by the values or whose spirit is evidently unsympathetic toward the standards and ideals of the institution or who seem to be exerting any negative or harmful influence upon the school may be asked to leave.

ECCLESIASTICAL COOPERATION & SEPARATION

The spiritual unity of all true believers in the Lord Jesus Christ is a great and blessed teaching of Scripture. All who minister for Christ quickly learn that spiritual unity is challenging to implement in the practical realities of ministry life.

The church is the pillar and foundation of truth. The very nature of the biblical word "church" ("called out assembly") implies both sanctification and separation. We believe that God has called all genuine believers to be positively identified as His true followers of God in true holiness.

As we equip our students for effective ministry leadership, we must help them understand the great value of wisely partnering with others to fulfill the Great Commission. Attendant to that is their responsibility to help them learn to identify unwise or unbiblical associations they should avoid.

We believe that God does not direct His church to partner with organizations that deny His Word or His holy purposes. We live in the last days, so we should not be surprised to find organizations that once confessed Christ but have turned from Him (apostasy). As a school, we do not partner with such organizations or ecumenical endeavors, and we guide our students to understand the error of such partnerships.

In addition, the Scripture teaches that it is sometimes wise and necessary to choose not to partner with other believers. Those who affirm the core doctrines of Christian orthodoxy, but who deny other truths of the faith, may not be qualified to become partners in fulfilling the Great Commission. At times, we choose to limit our partnerships to ensure the opportunity to preach the whole counsel of God.

ADMINISTRATIVE RELATIONSHIPS

The Seminary is controlled by the Board of Trustees and is served by the administration. The Board of Trustees has a standing Seminary Committee, which has the responsibility of matters pertaining to the Seminary. The President is the administrative head of the institution. The Seminary Dean leads the academic programs of the seminary, and keeps the institution informed of the interests and programs of the seminary.

HOUSING AND EMPLOYMENT

All regular students normally reside in the Clarks Summit area during the school year. The Seminary has available a limited amount of housing for single students. However, adequate housing is available in the community, and the Office for Student Development helps the student by providing information on available housing. Room and board are provided on campus for single students with dormitory facilities provided in Nordling Hall. See Financial Information for costs.

In the greater Scranton area, there are diversified employment opportunities. Students needing employment are advised to move to Clarks Summit early in order to give time for securing jobs and becoming adjusted to the area. While the Seminary cannot guarantee employment to anyone, area employers often contact us concerning job opportunities.

LIBRARY RESOURCES

From its location on the 1st and 2nd floors of Jackson Hall, the Richard J. Murphy Memorial Library provides students and faculty with resources for their intellectual, cultural, and spiritual development. Services are available for over 70 hours each week during the academic year.

Materials are organized according to the Dewey Decimal System, and holdings are accessed through the Public Access Catalog (PAC) from the college website.

The collections reflect the quality of many years of planned growth and development in support of the institution's educational objectives. The library specializes in the areas of biblical studies, theology, and Christian ministries, but also maintains strong collections in history, education, literature, music, and counseling. Careful attention is given to providing a diversity of viewpoints in keeping with its purpose as an information center. Currently the printed resources total nearly 100,000 volumes.

The library also maintains a collection of scholarly journals and periodicals of practical and general interest in print, microform, and on-line versions. Over 400 print subscriptions are available on campus, and several hundred titles in full text may be accessed through the Library's Internet vendors from the College website.

The library holds subscriptions to several databases that are of particular significance in the field of biblical and theological studies. ATLAS is the premier database of electronic journals on religion. TREN and PROQUEST provide access to electronic versions of doctoral dissertations in religious studies. SeminaryLibrary.com is an ongoing effort to digitize a large number of works on biblical studies.

Other holdings include audio/visual materials in a variety of formats. Computers are available for searching the Internet and the Library's online databases. A Seminary Reference Room contains class reserves and selected reference material appropriate to a seminary education. This room is available for 24-hour use to students upon application.

Through the library's memberships in the Northeastern Pennsylvania Library Network (NPLN) and the Southeastern Pennsylvania Theological Library Association (SEPTLA), students and faculty enjoy reciprocal borrowing privileges at several local and regional colleges, seminaries, and public libraries.

COMPUTER RESOURCES LAB

The Seminary is equipped with a computer resources lab. This well-equipped classroom can be utilized for computerized instruction, interactive learning, the writing of papers in the original Bible languages of Greek and Hebrew, as well as theological and expositional research. Students enjoy full access to this computer resources lab.

Utilizing the Windows environment, the computer lab has a number of current software programs for applications such as Bible research, Bible languages, word processing, presentation, desktop publishing, finances, church membership, and database. The Seminary is committed to keeping the software in the lab updated with the most recent versions of software. Some of the current software titles include: Microsoft Word, Powerpoint, Access and Excel; LOGOS Bible Software.

TEXTBOOKS AND BOOKLISTS

Textbook booklists for all courses can be located on the front page of the BBC&S website under Resources "Books and Course Info" or on the BBC&S portal page under course schedule. The link to this page is: http://www.bbc.edu/books_course_info/

STUDENT LIFE

STUDENT HANDBOOK

The Student Handbook, a guide to life on the Seminary campus, is distributed to all students during new student orientation. The Handbook is an attempt to answer questions which are often raised concerning some of the non-academic areas of life at the Seminary. The student is responsible for reading the Handbook and knowing the material contained in it.

STUDENT ASSOCIATION

The Student Association is organized for the purpose of promoting the general spiritual and physical welfare of the students. Its officers and representatives are elected from the student body. The Seminary Chaplain works with the officers of the Association to correlate all activities in the best interests of the Seminary and the student body.

CHRISTIAN CONDUCT

Standards of personal life are referred to in this catalog under the heading "Standards of Conduct," as well as appearing in the Student Handbook. Students enrolled in the Seminary are expected to adhere to the standards of dress, grooming, and behavior preferred by the institution.

SEMINARY CHAPLAIN

The Seminary Chaplain provides pastoral care for the Seminary students and their families. He is available for individual and family counseling concerning spiritual, physical, and family needs and concerns. The Chaplain also works with the Seminary students in the areas of career decisions, student activities, student leadership development, and student government.

CHURCH ATTENDANCE

Students and their families are required to attend regularly one of the Bible believing churches in the area.

CHRISTIAN SERVICE

All Seminary students are expected to be involved in some aspect of ministry in a local Bible believing church. Each person is free to choose the church where he will attend and serve. A list of churches is available at the Christian Service office.

CHAPEL

The Seminary recognizes that preparation for the pastoral ministry needs to address the whole man. Daily chapel services during the week are designed to develop the spiritual life of the whole Seminary family. Chapel services include prayer times as well as messages from visiting speakers, faculty, and students. All students are required to attend chapel services.

WEEK OF PRAYER

Twice a year the students and faculty join in a Week of Prayer. For the entire week, chapel emphasizes prayer.

GLOBAL MINISTRY FORUM

A strong emphasis is placed upon obedience to Christ's command to evangelize the world. Many missionaries visit the campus throughout the school year and speak in chapel and classes. Once a year there is a special emphasis upon home and foreign missions when missionaries come to the campus for a week of concentrated challenge to the students. All full-time students are required to attend the conference sessions except where legitimate excuses are obtained because of employment obligations. There are no master's classes during missions forum week.

COUNSELING SERVICES

In addition to the Seminary Chaplain, all professors are prepared to give general counsel to students regarding God's will for their lives and matters pertaining to their ministry or academic problems.

WIVES' TUITION GRANT

The wife of a Baptist Bible Seminary student will receive three hours free tuition at the College (one free class) per semester for every semester that her husband is enrolled for at least nine credit hours. See the Financial Aid section for more details on the Wives' Tuition Grant.

SEMINARY WIVES' FELLOWSHIP

A special monthly meeting of student wives enables them to have fellowship with those of like interest and to learn many things which will be helpful to them in their future ministries. Administration and faculty wives serve as advisors to the group.

CULTURAL PROGRAMS

The institution sponsors musical presentations, special concerts, and dramatic productions throughout the school year. These are available to Seminary students and their families.

HEALTH SERVICES

The Health Center is staffed by a registered nurse to provide initial assessment and care for injuries and illnesses, referrals, and counseling. Regular hours and on-call coverage are provided. Health insurance is available to those who do not have adequate coverage. Details of this are handled through the Business Office.

ATHLETIC PROGRAM

The institution has a full program of both intercollegiate and intramural athletics, and the Seminary students may organize intramural teams and participate in the intramural sports program.

AUTOMOBILES

All students owning and operating automobiles on campus must have them properly registered with the Campus Security department. They must also observe the Student Handbook regulations regarding automobiles.

PUBLICATIONS

The institution publishes a yearbook, *The Tower*. A section of that annual is devoted to the Seminary, and the cost of a copy of *The Tower* is included in the fees paid at registration for each student carrying six or more credit hours both semesters.

ALUMNI OFFICE

The Alumni Office is located in Jackson Hall and maintains an active relationship between the Seminary and its graduates. This office assists the Alumni Association in achieving its goal of uniting the Seminary alumni for spiritual and fraternal fellowship, for participating in projects which will promote the advancement of the school, and for nourishing and perpetuating the enthusiasm of the alumni for the institution.

PLACEMENT SERVICES

The Coordinator for Alumni & Placement is ready to assist graduates who are seeking places of ministry. Prospective graduates can receive information on writing and distributing resumé's. A placement file is kept for those who are actively seeking ministry positions. Many churches and Christian agencies contact the school each year requesting names of Baptist Bible Seminary graduates they can consider.

VISITING THE CAMPUS

Prospective students are encouraged to visit the campus at their convenience. Arrangements should be made in advance with the Seminary Director of Admissions. Prospective students may call 800.451.2287 or 570.586.2400. Opportunities will be provided during such visits for personal interviews with members of the Seminary faculty, attendance in class, and informal discussions with students. Meals and lodging can be provided if a visiting prospective student so desires and when rooms are available.

Such visits are not a required part of the admission procedure, but they have proven helpful to both the students and admissions personnel in evaluating the student's needs, interests, and theological education. If a prospective visitor has applied for admission to the Seminary Director of Admissions, this should be indicated in correspondence or by telephone about a proposed visit. Because the beginning of the fall semester and exam week are usually busy with various in-house activities, a prospective student should plan his visit for other times of the year.

ADMISSIONS AND REGISTRATION FOR MASTERS DEGREE PROGRAMS

RECOMMENDED COLLEGE PROGRAM—M.DIV.

Prospective students should have experienced a reasonable breadth of academic preparation in the major fields of the arts and sciences. To guide the student in planning his program of undergraduate education in these fields, the following distribution of courses is suggested:

English and Speech	4 courses
Philosophy	1 course
History	2 courses
Psychology	1 course
Natural Sciences	2 courses
Social Sciences	1 course

PREREQUISITES FOR ENTRANCE—M.MIN., M.A., M.DIV.

The curriculum at the Seminary is structured to meet the needs of both the Bible college and liberal arts graduate. Often when the Bible college graduate goes on to graduate school, he is required to repeat work at the same level he has already studied. At Baptist Bible Seminary, the curriculum enables such a student to build on the work he has already completed.

A student entering the Master of Ministry program should have the equivalent of a baccalaureate degree from a Bible college, plus three years of pastoral experience. A limited number of those without a baccalaureate degree may be enrolled as certificate students.

A student entering the Master of Arts in Biblical Apologetics program must present an acceptable baccalaureate degree or its equivalent.

A student entering the Master of Divinity program must present an acceptable baccalaureate degree or its equivalent. A college graduate will enter the program with 76 hours residence plus internship.

It is possible to complete the campus residence requirements for any of the M.Div. programs in two years, although a student may elect to extend his time in residence.

Note: By action of the Board of Trustees, no one who has been divorced or who is married to a divorced person may be admitted as a student. Prospective students who are separated from spouses will not be accepted.

ADMISSION PROCEDURE—M.MIN., M.A., M.DIV.

Each applicant must present to the Seminary Director of Admissions the following credentials no later than two months prior to the semester in which the work is to begin.

1. An application completed in full.
2. An application fee (non-refundable). This fee must accompany the application.

3. A letter from applicant's wife (if married) giving an account of her conversion, her feelings about her husband entering full-time Christian service, and her willingness to abide by the regulations of the Seminary.
4. Official transcripts of all work beyond high school level. The applicant must request the school(s) to send the transcript(s) directly to the Seminary admissions office. If you supply a stamped, addressed envelope, it will expedite sending the transcript(s).
5. Confidential Report of Academic Standing. Give this, along with an addressed, stamped envelope, to the registrar or dean of the last school from which you graduated.
6. When the application is received, the Seminary will send reference forms to the three people given on the application: pastor or church official, former professor, employer or professional acquaintance.
7. The admissions committee reviews each applicant's papers, and the applicant will be notified of its action. Admission to the Seminary is limited to those who show evidence that they have been born again, are committed to the will of God for their lives, are endowed with gifts needed for Christian ministry vocations, and share the doctrinal convictions taught in the Seminary. Race or ethnic origin are not factors in consideration for applicants.

REGISTRATION PROCEDURE

Students are expected to register at the time specified in the academic calendar and in supplemental publications. All prospective students will be informed by mail of the details of registration times and procedures. Students desiring to register at irregular times because of taking only modular or night classes should contact the Seminary registrar.

ENTRANCE EXAMINATIONS

New students who have had at least one year of Greek and/or Hebrew will be given a placement entrance examination in New Testament Greek and/or Old Testament Hebrew. The time and place of this examination will be designated, and the student will be informed by mail.

TRANSFER CREDITS

Course credits with a minimum grade of C earned at acceptable, standard theological seminaries are accepted at full value if they fit the stated requirements of a program. This decision is based solely on the judgment of those who review the transcripts. Persons holding the five-year Th.B. will receive a significant amount of transfer credit in either the M.Min or M.Div. programs. Normally not more than one half of resident requirements will be transferred. If there are notable weaknesses in some courses which a student has taken, he may be required either to take an examination to evidence competency or to make up work in which there is deficiency. The student's grade point average will be figured only on work completed at BBS.

No post-baccalaureate credit will be given for undergraduate courses. If courses taken by a student are clearly duplicate to prescribed courses of the Seminary curriculum, they may be waived and other courses taken in their place. The student may be excused from such a course only by passing an examination over the material, as provided by the head of the department involved. Transfer of credits from this institution to other institutions is at the discretion of the receiving institution.

INTERNATIONAL STUDENTS

The Seminary encourages qualified international students to make application if they have a financial guarantor in the United States, or if they have sufficient evidence from some responsible organization in their home country to show means of support and necessary travel expenses for attendance at the Seminary. The Seminary is unable to grant full financial scholarships to any international students. Furthermore, it is difficult for non-immigrant students to receive permission for off-campus employment during the first year in the United States. Under no circumstance should an applicant prepare to arrive in the United States until he has been granted final acceptance. Applicants arriving without means of support and a student visa are normally deported at the expense of their national governments and are not eligible for readmission to the United States.

All foreign applicants must, upon request, submit a catalog of the school from which they received an undergraduate degree. Applicants holding advanced degrees should provide full information on such programs of study.

An examination to establish the applicant's ability to use the English language for graduate study in theology is required. The required examination is the Test of English as a Foreign Language (TOEFL). Applicants are responsible to make their own arrangements for this examination by writing the Educational Testing Service, Box 955, Princeton, New Jersey 08540. An alternative examination in English as a second language is available from the University of Michigan, Ann Arbor, Michigan. The testing organization should send the results directly to the Seminary. Subsequent to enrollment, if the student's command of English proves inadequate, the Seminary reserves the right to require further language study by the student before such student is qualified for graduation. (More information at www.ets.org.)

Each applicant is required to submit a statement from his national church endorsing his educational plans as necessary preparation for leadership in that church and to show evidence that such theological education is not available to him in his homeland.

The Seminary admits students of any race, color, national, and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin, or physical handicap in administration of its educational policies, admissions policies, scholarship and loan programs, athletics, and other administered programs.

BAPTIST BIBLE SEMINARY

FINANCIAL INFORMATION

FINANCIAL STATEMENT OF PHILOSOPHY

The Seminary has consistently tried to keep the expense of preparing students for Christian ministry as low as possible. Students have never been required to pay the total cost of their education, as contributions from churches and individuals supplement the school budget. As educational costs rise, student tuition and fees must also increase unless the Seminary receives additional financial aid from churches and Christian friends.

FINANCIAL RESPONSIBILITIES OF STUDENTS

Students are to be prompt in payment of financial obligations. This is essential to a proper Christian testimony. All student bills are due and payable at the time of registration each semester. Federally insured student loans are available to eligible students through the Office for Student Financial Services. Students are encouraged to seek counsel with the Office for Student Financial Services as soon as a financial problem is anticipated. Baptist Bible Seminary offers students two payment plans which are explained below.

STUDENT PAYMENT POLICY

By registering for classes, a student assumes an obligation to care for charges incurred in an expeditious manner. All student accounts are to be cared for by the time of registration.

PRE-PAYMENT DISCOUNT

A pre-payment discount is available. Students must pay the fall semester balance by July 15th and the spring semester balance by December 15. If a student does not register until after the first payment due date, the student will have missed the opportunity to take advantage of this discount.

Payments made in full by credit card will receive a 2% discount.

Payments made in full by cash or check will receive a 3% discount.

The student must have all prior balances paid in order to be eligible for the discount. Discounts will not be recalculated if the original estimated charges or estimated financial aid change for any reason.

MONTHLY PAYMENT PLAN

Students who do not pay their semester balance in full by the discount date, will automatically be set up with a 5 payment plan. A \$100 payment plan fee will be assessed, each semester, for all students who elect the monthly payment plan.

Student bills will be mailed on the following dates:

<i>Fall Term</i>		<i>Spring Term</i>	
<i>Billing Date</i>	<i>Payment Due</i>	<i>Billing date</i>	<i>Payment Due</i>
July 1	July 15	December 1	December 15
August 1	August 15	January 1	January 15
September	September 15	February 1	February 15
October	October 15	March 1	March 15
November	November 15	April, 1	April 15

The payment due is calculated on a monthly basis and will be subject to change, if any of the student's factors change. Typical reasons for this would be a change in registered courses, meal plans, or financial aid.

PAYMENT PLAN FEE WAIVER

There are two options to avoid the \$100 payment plan fee:

1. Pay your entire balance due, in full, prior to the first day of attendance for the semester.
2. Authorize BBC to automatically withdraw the calculated required monthly payment from your bank account. If you revoke your authorization for the automatic withdrawal at anytime during the semester, you will then incur the entire \$100 payment plan fee.

LATE FEE

There is a 5 day grace period for late payments. Any student who has not made their required payment by the end of the grace period, will be assessed a \$15 late fee.

OVERPAYMENTS AND REFUNDS

In the event you have overpaid your charges, we will refund the overpayment upon your request. If a request for refund is not made, your overpaid balance will be applied to future semesters.

You also may receive a refund if you have an overpayment generated from Title IV Financial Aid. If this happens we are required by financial aid regulations to refund the difference. If you wish to have the overpayment applied to future semesters, you can simply endorse the check back to the school and it will be applied to the next semester.

By registering for classes, a student assumes an obligation to care for charges incurred in an expeditious manner. Baptist Bible Seminary accepts VISA, Master Card, and Discover for payment of the student's school bill.

No student will be allowed to register for a new semester until all unpaid Seminary account balances have been cared for. No transcripts or final grades will be released until all unpaid bills to the Seminary have been paid in full.

DUAL ENROLLMENT FLAT RATE POLICY

Any student who is enrolled as a full-time student at Baptist Bible College (at least 12 credits) and is also taking courses at Baptist Bible Seminary may have the cost of the Seminary course(s) included in the flat rate charged by the College.

Example: A student enrolls for 15 credits at the College and also enrolls for three credits at the Seminary. The student may apply the three Seminary credits to the flat rate already charged by the College, thereby avoiding an additional charge for the Seminary credits.

Any credits which exceed the maximum 18 credits allowed for the College flat rate will be charged at the Seminary rate.

Example: A student enrolls for 17 credits at the College and also enrolls for three credits at the Seminary. The student may apply one credit to the flat rate already charged by the College. The two credits which exceed the 18 credit maximum for the College flat rate will be charged at the appropriate Seminary rate.

In order for a student to have tuition charges included in the College's flat rate charge, the student must complete the dual enrollment notification form. The form must be signed by the College and Seminary registrars and then turned in to the Business Office. Failure to comply with this requirement will result in the student being charged full price for all enrolled Seminary courses.

REFUND POLICY

WITHDRAWAL (FINANCIAL)

Students withdrawing from Baptist Bible Seminary must complete a withdrawal form which may be obtained in the Seminary Registrar's Office. The student must obtain all necessary signatures, and designated offices will maintain copies for their files. The final recorded day of class attendance will be designated as the student's last day of attendance. This date must be documented on a

withdrawal form to avoid overpayment liability. Students who are dismissed are not exempt from the following refund policies which must be administered in a consistent, fair, and equitable manner.

REFUND SCHEDULE

Refunds are calculated based upon all institutional charges including tuition, fees, room, and board.

Once-a-Week Courses

$$\begin{array}{r} \text{Total amount of institutional costs} \\ X \quad \text{Percentage of enrollment period not completed} \\ \hline \text{Student refund} \end{array}$$

MODULES

$$\begin{array}{r} \text{Total amount of institutional costs} \\ X \quad \text{Percentage of module period not completed} \\ \hline \text{Student refund} \end{array}$$

If a student has completed 60 percent or more of the enrollment period, then the percentage of costs incurred by the student is 100 percent.

FEDERAL TITLE IV AID PROGRAMS

When a refund is due a student under the institution's refund policy, and the student receives Title IV funds, a portion of the refund shall be returned to the Title IV programs. As required by federal regulations, the percentage of the student's refund to be returned to the Title IV programs is determined as follows:

$$\begin{array}{r} \text{Total amount of Title IV aid awarded} \\ X \quad \text{Percentage of enrollment period not completed} \\ \hline \text{Refund to Title IV aid programs} \end{array}$$

If a student has completed 60 percent or more of the enrollment period, then the percentage of Title IV earned by the student is 100 percent. If a credit balance exists after the refund calculation is performed, then those funds will be refunded to the student.

The amount of the Title IV refunds due to the Title IV programs will be returned to each program from which it was expended—up to 100% of its refund value. Refunds are made in the following order: 1) Unsubsidized Federal Stafford Loan; 2) Subsidized Federal Stafford Loan.

NON-TITLE IV AID PROGRAMS

When a student withdraws during the institution's refund period, and the student did not receive any Title IV aid, the financial aid received by the student will be reduced in proportion to the adjustment of the student's charges.

CREDIT BALANCES

Credit balances in student accounts will be refunded unless requested to remain on account by the student. If a student receiving aid withdraws from the institution with money in his account, those funds are restored to the financial aid sources according to the appropriate program requirements. Title IV funds (Stafford Loans) do not cover a previous balance (from a semester that has already been completed). If your loans give you a credit balance for your current semester and you owe money on a previous semester, this credit balance will be refunded to you and you will still owe your previous semester charges.

FINANCIAL AID

Our Office of Student Financial Services serves an extremely vital function in the student's educational experience. The staff is available to counsel and advise students concerning their financial needs to allow the students to complete their education with a minimum of outstanding debt.

Students desiring financial aid should work closely with this office immediately upon acceptance to meet the financial requirements set forth in the preceding financial/registration policy section in a timely fashion. Financial aid at the Seminary consists of scholarships, grants, and loans.

While some sources of financial aid are outlined briefly in the following section, additional information can be obtained by writing:

Director of Student Financial Services

STUDENT LOANS

FEDERAL STAFFORD LOAN PROGRAM

Students desiring a Stafford Loan should contact the Office of Student Financial Services. Loans will go into repayment six months after graduation; or when you drop below ½ time status; or upon withdrawal from the seminary. Most students are eligible for a subsidized loan in which interest is paid by the government until repayment begins. Students must be enrolled at least one-half time (see semester-hour equivalencies chart under Academic Section) to qualify for the loan.

Stafford Loans are available for the fall, spring, and summer semesters. Contact the Office of Student Financial Services for more details. For the purpose of determining loan deferment eligibility, the financial aid year begins with the fall semester and runs through the following summer modules.

WIVES' TUITION GRANT

The wife of a Baptist Bible Seminary student will receive three hours free tuition (one free class) per semester for every semester her husband is enrolled as a full-time student. The tuition free class may be taken for credit or audit and may be any class offered in the College or Graduate School (except private music lessons) which has not been filled and for which all the required background

courses have been completed. While the free class should normally be taken concurrently with her husband's enrollment, a wife may accumulate up to six credit hours of tuition grant to be used for classes offered in the following summer.

The tuition grant should not exceed six credit hours in any academic year, including summer school. Although there is no tuition charge for these courses, there is a general fee, payable upon registration. Any wife desiring to use this grant who has not already been accepted for admission must follow the regular admission procedure, which includes an application fee. The grant is limited to available funds, so early application is encouraged.

BAPTIST BIBLE SEMINARY

ACADEMIC INFORMATION

SELECTION OF DEGREE PROGRAM

A student is permitted to enroll for classes (if qualified for admission) without choosing a degree program, provided his total semester hours have not exceeded six (6). This is especially designed for the benefit of non-resident students taking a modular or internet course. At the time the student registers for a course(s) which would bring the total credit hours taken at the Seminary to seven (7) or more hours, he must declare to the Registrar which degree program he desires to pursue. This decision will be registered on the date indicated. At this time, he must pay a matriculation fee if not previously paid.

CLASSIFICATION OF STUDENTS

REGULAR

A student who possesses a baccalaureate degree. Only regular students are eligible for scholastic honors, and only such students may be elected to student body offices.

SPECIAL

A student who is enrolled in a degree program, but who does not possess a baccalaureate degree. Upon completion, he will receive a certificate of completion of the particular program. If a special student completes the program and then completes a baccalaureate program, he may request that the certificate be exchanged for a diploma. The quota for special students will be based upon 10 percent of the projected total credit hours of enrollment during a school year.

STUDENT STATUS BY CREDIT HOUR

The following semester-hour equivalencies apply:

Degree Program	Full-Time	$\frac{3}{4}$ Time	$\frac{1}{2}$ Time	Less than $\frac{1}{2}$ time
M.Min.	4	3	2	1
M.A.	4	3	2	1
M.Div. Equiv.	4	3	2	1
M.Div.	9	7	5	4
Th.M.	3	2	1	0
D.Min.	3	2	1	0
Ph.D.	3	2	1	0

The school year runs from graduation to graduation and includes courses offered in summer modules, fall semester, and spring semester.

GRADING SYSTEM

Academic credit will be measured in semester hours. A semester hour represents the equivalent of at least one class period of 50 minutes per week for a minimum of 15 class periods. The grading system is as follows:

- A indicates thorough mastery of material plus creative resourcefulness in the use of knowledge gained. (4 grade points)
- B indicates good mastery of subject material plus evidence of ability to use to good advantage the knowledge gained. (3 grade points)
- C indicates average mastery of subject material plus evidence of ability to use profitably the knowledge gained. (2 grade points)
- D indicates a limited mastery of subject matter. It signifies work which in quality or quantity falls below the acceptable standard. It is, however, of sufficient weight to be counted in the hours for graduation if balanced by superior work in other courses. This grade is not usually accepted by another institution in student transfer. (1 grade point)
- F failure (0 grade points)
- I incomplete. Indicates that the semester's work is incomplete and the instructor has given the student a specified extension of time to complete the course requirements. No incomplete grade may be extended longer than the end of the semester following the semester in which the incomplete was received. Any incomplete not cleared up within this time will be replaced with an appropriate grade determined by the instructor's evaluation of the student's completed work.
- NG no grade given. Student has completed course work, but grade has not been posted.
- W Withdrawal during first 1/3 of a course, not computed in grade point average:
 - one (1) hour course, five (5) class hours (50 minutes each)
 - two (2) hour course, 10 class hours
 - three (3) hour course, 15 class hours
 - four (4) hour course, 20 class hours
- WP withdrawal after 1/3 of a course is completed with passing grades; not computed in GPA.
- WF withdrawal after 1/3 of a course is completed with failing grades; is computed in GPA.
- AU class audited—course not taken for credit and not included in the student's average. The student does not have the automatic right to audit any particular course. Permission in writing must be granted by the academic advisor and by the professor teaching the course.

GRADING SCALE

Letter grades given fall with the range of the following percentile scale:

A = 95–100	C+ = 86	D- = 70
A- = 94	C = 78–85	F = Below 70
B+ = 93	C- = 77	
B = 88–92	D+ = 76	
B- = 87	D = 71–75	

WITHDRAWALS (ACADEMIC)

Students wishing to withdraw from a course must file proper forms with the registrar's office and must have approval by the appropriate persons. A student is not considered eligible for refunds if proper procedures have not been followed.

READMISSION

All former students who have left school for any reason and who desire to return after being out six semesters shall be considered as applicants for readmission. Applications for readmission shall be subject to the review and decision of the admissions committee.

An applicant for readmission shall be required to:

1. Write a personal letter to the Seminary Director of Admissions at least thirty days before the first day of classes of the semester in which you plan to enroll. Include in this letter: (1) a summary of your activities since you left the institution, including your employment; (2) your reasons for wanting to return; (3) change, if any, in your marital status; (4) your academic and vocational goals; and (5) any other information which may assist the committee in making a decision.
2. Furnish an official transcript of all post-secondary courses taken since leaving the institution.

At the discretion of the Admission Committee, the following may also be required:

1. A personal interview.

ACADEMIC PROBATION, DISMISSAL

ACADEMIC PROBATION

1. Serious academic deficiency will result in a student being placed on academic probation. Normally, probation means that the student's cumulative grade point average has fallen below 2.0. He will be eligible for academic dismissal unless he lifts his average to 2.0 by the end of his next semester.
2. Special academic probation may be imposed in certain cases by the appropriate faculty committee. In such cases, the specific details of the probation will be given to the student in writing.

ACADEMIC DISMISSAL

At the conclusion of each semester, the Seminary Dean reviews the achievement of all students with semester or cumulative grade point averages below 2.0, and he may administer academic dismissal if a student:

1. Has been on academic probation for that semester and has failed to raise his grade point average sufficiently to remove the probation.
2. Has failed to meet the requirements of special academic probation which may have been imposed.

3. Has experienced extreme academic deficiency during that semester even though he was not under academic probation and the prospect for significant improvement seems remote.

Students who receive academic dismissal may appeal this decision to the Seminary faculty under the following conditions:

1. First-year students who have been dismissed may not be readmitted for one academic year.
2. Send a letter of appeal directed to the Seminary faculty stating the reason(s) why the student feels he should be considered for readmission.
3. The Seminary faculty will consider the merits of each student's case and inform him whether his appeal is granted or denied.

ACADEMIC HONORS

The following honors may be awarded to full-time students: with grade point average of 3.5, Cum Laude; 3.8, Magna Cum Laude; and in recognition of extraordinary merit 4.0, Summa Cum Laude. Students transferring from other graduate schools of theology must complete two-thirds of total resident hour requirements to be eligible for academic honors. The grade point averages of such students will be determined upon only grades received while at the Seminary.

WEEKLY CLASS SCHEDULE

Each semester is 12 weeks in length. Four kinds of course schedules are followed:

1. Courses that meet one (1) day per week for 12 weeks
2. Courses that meet two (2) days per week for 12 weeks
3. Courses that meet four (4) days a week for one (1) or two (2) week modules
4. Online courses that meet each week (asynchronous) for eight or twelve weeks.

Upon request, class schedules for future semesters will be sent when available.

CLASS ATTENDANCE

See the Student Handbook for attendance policy.

WAIVER

Petitions for waiver of individually required courses (by reason of previous courses) should be submitted to the Academic Advisor. In the event a waiver is granted, the student will normally be required to choose a substitute course in the same department for which the waiver is granted.

GUIDELINES FOR WRITTEN WORK

All course papers must be typewritten and in proper form. Unless otherwise indicated in the course syllabus, they should conform to the standards outlined in the recent edition of *A Manual for Writers of Term Papers, Theses and Dissertations*, by Kate L. Turabian.

REPEATED COURSES

When a course is repeated, the new grade replaces the former one in calculating the student's grade point average. GPA is affected only when both the original and the repeated course are taken at the Seminary.

SUMMER MODULES

The summer school schedule is designed for the convenience of the student—the busy pastor, missionary, or Christian education director who wishes to continue his theological education. Students and Christian workers who qualify for graduate studies may enroll.

The summer school program, which is conducted in May, June, & July, include four (4) modular sessions for masters level classes, and two modules (one week each) in June for doctoral level classes. The modules are two-week sessions held during the morning hours. Advance class schedules are available.

TRANSCRIPTS

At the Seminary, student transcripts are released only upon the student's written request or with his permission except that such permission is not required when government agencies request transcripts for official purposes. At the time of graduation, one official transcript (bearing the Seminary seal and the signature of the registrar) will be given to each graduate. All other official transcripts will be sent only to agencies and institutions designated by the student. Unofficial copies of the permanent record may be given to the student upon request.

CONFIDENTIALITY OF STUDENT RECORDS

The Seminary, in compliance with the Family Educational Rights and Privacy Act of 1974, will maintain all student records in accordance with the provision of the Act as amended. The information contained in the student's permanent educational record will be made available to the student and not to others without the student's written permission. The only exceptions are official members of the staff who have a legitimate professional right to the material.
